

Arise and Shine!

Young Women in Excellence

Young Women in Excellence is an event in which young women are recognized for the good things they are doing. It is a celebration of Personal Progress. Each young woman shares a value experience or value project she has completed during the year that exhibits excellence. Her presentation may include talents and skills she has developed through her Personal Progress goals. Parents are invited to attend.

Give serious thought to the values you might focus on for this event. You may work with a family member, another young woman, or others on the projects, which may take several months to complete.
